COLLABORATE 06

Technology and **Applications** Forum for the **Oracle** Community

April 23 – 27, 2006
Gaylord Opryland Resort
Nashville, Tennessee

The International Oracle Users Group (IOUG), the Oracle Applications Users Group (OAUG) and Quest International Users Group are collaborating to bring you the best practices and user-driven training that each user group offers!

Collaborate 06 Will Allow You To:

- Gain the latest education on Oracle database technology (with complementary applications tracks presented by OAUG and Quest)
- Get the opportunity to leverage our user groups' collective voice to Oracle
- Experience expanded networking opportunities with the greater Oracle community
- Hear directly from Oracle in educational sessions and keynote presentations
- Browse the exhibition hall featuring access to the full breadth of Oracle solutions providers – all under one roof!

Providing education and resources for Oracle database and applications customers, professionals and users.
